Exhibit A: Limited Warranty for PV Modules sold with Microinverters

1. Limited Product and Power Warranties

Effective Date: January 1, 2022.

PV Module(s). This Limited Warranty is effective for photovoltaic modules from Maxeon Solar Technologies, Ltd. (“Maxeon”) installed in United Kingdom with the model numbers listed in the Warranty Table sold after the Effective Date (the “PV Modules”). The PV Module(s) exclude any power electronic, external connector, jumper, microinverter or other external device included or sold with the PV Modules.

Warranty Start Date. The Warranty Start Date is the earlier of: (i) the date of array interconnection, and (ii) 6 months following the delivery of the PV Modules. If the delivery date cannot be verified, then the manufacturing date will be used in its place.

Product Warranty. Subject at all times to the terms and conditions in this Limited Warranty, Maxeon warrants the PV Modules will be free from defects in materials and workmanship that materially impact the functioning of the PV Modules under normal application, installation, use and service conditions during the Product Warranty Term, as set forth in the Warranty Table.

Power Warranty. Subject at all times to the terms and conditions in this Limited Warranty, Maxeon warrants the PV Modules will have a Measured Peak Power¹ of at least the Guaranteed Peak Power during the Power Warranty Term, as set forth in the Warranty Table.

Registration. The 40-year Warranty Terms for applicable PV Modules are subject to and conditional upon the terms of this Limited Warranty and digital registration of the PV Modules in accordance with <https://sunpower.maxeon.com/uk/solar-panel-products/warranty>, including acceptance of applicable Maxeon terms of use and privacy policies (“Registration”). If the PV Modules are not registered with Maxeon within 6 months of the Warranty Start Date, then the Warranty Terms are each 25 years, as set forth in the Warranty Table.

Warranty Table

PV Modules	Product Warranty Term	Power Warranty Term	Guaranteed Peak Power (a percentage of “Minimum Peak Power,” which is the rated power shown on the label for the PV Module)
SPR-MAXy-xxx-Ex-AC	40 years from the Warranty Start Date (25 years if no Registration)	40 years from the Warranty Start Date (25 years if no Registration)	98% of the Minimum Peak Power for the 1 st year of the Power Warranty Term, reduced by 0.25% at the beginning of each subsequent year of the Power Warranty Term, down to 88.25% for the final, 40 th year, and 92% for the final, 25 th year, if no Registration.
SPR-Py-xxx-Ex-AC	25 years from the Warranty Start Date	25 years from the Warranty Start Date	98% of the Minimum Peak Power for the 1 st year of the Power Warranty Term, reduced by 0.45% at the beginning of each subsequent year of the Power Warranty Term, down to 87.2% for the final, 25 th year.

MICROINVERTER WARRANTY. THIS LIMITED WARRANTY EXCLUDES AND DISCLAIMS ALL WARRANTIES, CONDITIONS AND GUARANTEES PERTAINING TO THE MICROINVERTER(S) INCLUDED WITH THE PV MODULE(S). ENPHASE ENERGY, INC. (“ENPHASE”) PROVIDES A LIMITED WARRANTY (THE “MICROINVERTER WARRANTY”), WHICH CAN BE REVIEWED AT [HTTPS://ENPHASE.COM/WARRANTY](https://enphase.com/warranty) AND IN APPENDIX A. THE MICROINVERTER WARRANTY IN APPENDIX A SHALL CONTROL IN CASE OF ANY DISCREPANCY WITH ANY VERSION AVAILABLE ONLINE.

2. Customer Support, Claims Process and Coverage

Please contact Enphase at <https://enphase.com/support/> for all support issues pertaining to PV Modules that include an Enphase microinverter. Enphase will direct support issues pertaining to the PV Modules to Maxeon.

If any PV Module fails to conform to this Limited Warranty, provided that any loss in power is determined by Maxeon (in its sole discretion) not to have resulted from one of the excluded events set forth in Section 4 below, then for the applicable Warranty Term, Maxeon will repair, replace or refund the defective PV Module(s) as set forth herein.

If you have a support issue or warranty claim that is not resolved by Enphase, then immediately contact Maxeon at customers@maxeon.com. Upon receipt of a claim, Maxeon may require additional information regarding the claim, including: applicable warranty registration information; itemized proof of purchase, delivery or installation; serial and model numbers; and evidence regarding the basis of claim. All Maxeon obligations hereunder are expressly contingent upon the timely and full provision of such additional information. Returned PV Modules will not be accepted unless prior written authorization has been provided by Maxeon.

For any valid claim hereunder pertaining to any PV Module, Maxeon will, in its sole discretion, repair, replace, or refund the original purchase price of the covered PV Modules. For repairs and replacements, Maxeon will pay reasonable, customary transportation costs

¹ “Measured Peak Power” is a measurement of the watt peak of a PV Module at Standard Test Conditions (1000W/m² irradiance, AM1.5, 25C. SOMS current, LACCS FF and Voltage from NREL calibration), as described in IEC61215, measured per IEC60904, and accounting for 3% measurement tolerance. Measured Peak Power measurements require a sweep rate of no less than 200ms to ensure an accurate power measurement. Maxeon can provide a detailed testing procedure or a list of recognized testing agencies upon request.

for the return of covered PV Modules from, and the shipment of repaired or replacement PV Modules to, the place where the covered PV Modules were originally delivered by Maxeon. Replacement PV Modules may be refurbished or remanufactured PV Modules, will be electrically and mechanically compatible with the covered PV Modules, and will have a substantially equal or greater power rating.

For PV Modules originally installed in Belgium, France, Germany, Italy, The Netherlands, or the United Kingdom by Maxeon, an Authorized Maxeon Installer or Partner, or independent installers associated with Maxeon Authorized Distributors, Maxeon will pay reasonable, necessary, and actual removal and reinstallation service costs of repaired or replaced PV Modules, up to £225 for up to 5 PV Modules and £45 per PV Module thereafter; provided, (a) Maxeon has sole discretion to select the service provider performing such services, and (b) Maxeon will pay the service provider for such service costs.

If Maxeon issues a refund under a valid Product or Power Warranty claim, then Maxeon will refund the original purchase price, minus the market price of any included External Devices (such as a microinverter), for the first five years of the applicable Warranty Term, and then linearly depreciate the refund amount by 2.78% per year for 40-year Warranty Terms, 13.5% per year for 12-year Warranty Terms, and 4.75% per year for 25-year and other Warranty Terms (the "Claim Value"), provided that for a valid Power Warranty claim, Maxeon will refund the Claim Value multiplied by the percentage difference between the Guaranteed Peak Power percentage and the Measured Peak Power percentage (both as a percentage of the Minimum Peak Power). If you are unable to substantiate the original purchase price, then Maxeon will use the current market value instead of the original purchase price to determine the Claim Value.

3. General Conditions for Warranty Claims

- a) Any and all coverage, rights, and performances under this Limited Warranty is expressly conditioned upon full payment (including full payment of any charges for interest or late payment) due to Maxeon.
- b) Maxeon has no obligations if there are outstanding charges or payments for PV Modules that are the subject of a warranty claim.
- c) All warranty claims hereunder must be filed within the applicable Warranty Term. Any warranty claim filed outside the applicable Warranty Term, including any claim for a latent or undiscovered defect, is invalid and will be rejected by Maxeon.
- d) The Product and Power Warranty Terms for any repaired or replaced PV Module shall not extend beyond the original terms.
- e) When PV Modules are used on a mobile platform of any type, such as a vehicle (not including Trackers), the Product and Power Warranty Terms shall each be limited to 12 years.
- f) When PV Modules are used on a ground-mount application, such as a tracker or carport, the Product and Power Warranty Terms shall each be limited to 25 years unless written approval is provided by Maxeon and the PV Modules are digitally registered.
- g) PV Modules used with floating mounting systems are excluded entirely unless prior written approval is obtained from Maxeon, subject to any terms, conditions, and changes as may be set out in such written approval.
- h) In cases of PV Module replacement, title to any replaced PV Module shall pass to Maxeon.
- i) All warranty claims must be filed by or on behalf of the warranty holder. Maxeon may require documentation to confirm the identity of the warranty holder, authority of the claimant, and the sale, delivery, and original place of installation of the PV Modules. Maxeon may reject warranty claims with insufficient documentation.
- j) This Limited Warranty is fully assignable by the warranty holder to a third party, provided: the warranty holder provides notice of assignment in accordance with <https://sunpower.maxeon.com/uk/solar-panel-products/warranty> within 90 days of the assignment; the notice includes reasonable documentation evidencing such assignment; and the subsequent warranty holder completes digital registration of the PV Modules.

6. Legal Warranty

For modules installed in the United Kingdom the following terms and conditions also apply. This Limited Warranty is given additionally to the customer's rights and guarantees (to the extent applicable) that cannot be waived under applicable English law (including, but not limited to, those rights that cannot be waived under the Unfair Contract Terms Act 1977, the Sale of Goods Act 1979, the Consumer Protection Act 1987, the Unfair Terms in Consumer Contracts Regulations 1999 and the Unfair Trading Regulations 2008).

This Limited Warranty is a voluntary manufacturer's warranty provided by Enphase Energy, Inc. ("Enphase") in respect of the products set forth below:

- **IQ™7-series and IQ6-series microinverters, and microinverters with product SKU C250-72-2LN-S2** which, in each case, are continuously connected to the internet through an Envoy™ product, listed below (each a "Microinverter");

This Limited Warranty applies in addition to statutory rights available to consumers under UK consumer laws, including under the Consumer Rights Act 2015.

If you are a consumer and your Covered Product is defective or does not conform with the contract of sale, you can choose to make a claim under UK consumer laws or under this Limited Warranty (whichever is applicable).

We have set out below a summary of UK consumer rights under the Consumer Rights Act 2015. This is not an exhaustive description of the rights available to consumers under UK consumer laws. For more information about UK consumer laws, contact your local consumer organisation (e.g. your local trading standards or citizens advice bureau).

UK Consumer Laws

The Consumer Rights Act 2015 automatically introduces certain terms into contracts for the sale of goods to consumers including, for example, that the goods (i) will match the description given of them, (ii) will be of satisfactory quality and (iii) will be reasonably fit for any particular purpose made known to the seller.

If goods are defective or do not conform with the contract of sale, a consumer may be entitled to (i) a repair or a replacement free of charge, (ii) a discount or (iii) a refund by the seller.

The primary responsibility to provide these remedies will sit with the seller from whom the consumer purchased the goods. So, if you purchased a Covered Product from a third party reseller and not directly from Enphase, you would need to contact that reseller in order to make a claim.

For goods purchased in England and Wales, these rights expire six years from delivery of the goods. For goods purchased in Scotland, these rights expire five years from delivery of the goods.

Limited Warranty

In addition to your rights under UK consumer laws, subject to the terms of this Limited Warranty (including the limitations and exclusions set out below), Enphase warrants to the Covered Owner (as defined below) that the Covered Product will be free from defects in workmanship and materials for the applicable warranty period set forth below (each a "Warranty Period"), provided that the Covered Product is (i) purchased from Enphase or an entity expressly authorized by Enphase to resell the Covered Product (the "Authorized Reseller"), (ii) the Covered Product remains at the original End User location (the "Original Location"), and (iii) the Original Location is within the United Kingdom.
